

MVS Solutions' Privacy Policy

MVS Solutions' Privacy Policy explains:

- What information we collect and why we collect it
- How we use that information
- Information we share
- Changes and Updates

We've tried to keep it as simple as possible.

Information We Collect

We collect information in order to communicate with you – about our products and services. We collect information such as your name, email, telephone number, title and address. We collect this information directly from you, with your expressed consent, via our website, at trade shows and meetings and at events, including on-line events like webinars and blogs.

How We Use the Information We Collect

We use the information we collect for the sole purpose of communicating with you. We may use your email address and/or telephone number to inform you about our products and services and to advise you about upcoming events, such as trade shows, webinars and webcasts.

When you contact us, we may keep a record of your communication to help solve any issues you might be inquiring about.

Information We Share

We do not share personal information with companies, organizations and individuals outside of MVS Solutions except for reasonable legal reasons.

Changes and Updates

Our Privacy Policy may change or be updated from time to time and we will post any changes on this page.
